pannier racks, panniers, luggage trailer, mudguards,
roof and rear car tandem carriers.

Please list those you would like _____
to borrow (if available)

Source of initial knowledge about Charlotte's Tandems
Please be specific: not just "internet" or "Google"

Please Email your answers or post this form, so that we can match a tandem to you.

You'll need to hand over a paper copy of the form when you collect the tandem.

Terms and Conditions

- Tandems and accessories are borrowed on an "as seen basis" with no stated nor implied warranty and Charlotte's Tandems is not liable for any injury caused to the riders, the general public and their property. The borrower is at all times personally liable for any accident.
- Borrowers are strongly recommended to have the tandem and accessories professionally inspected, to insure safety.
- The borrower is expected to maintain the tandem and return it at the end of the agreed period in as good or better condition than at the start of the borrowing period.
- It should be noted that helmets degrade. Also helmets are only effective if they are the correct fit and it is therefore preferred that the riders use their own helmets.
- If the tandem is not returned, due to loss or gross damage etc, then the borrower must pay the full market value for a replacement.
- All tandems should be locked to a permanent structure when not in use. Quick Release items, such as wheels or mudguards, should be also locked or removed.

- Captains should be confident with long wheelbase and response of controls before taking on the Stoker.
- It is expected that during summer months the stoker will ride the tandem regularly. If this is not happening, for any reason, then the tandem should be returned immediately, so that another borrower can make full use of it.
- Our Helpers do not have a criminal record check (e.g. DBS, Disclose) by the charity and therefore the child and vulnerable adult stokers must always be accompanied by a parent or carer.
- Photographs and comments must be sent to info@CharlottesTandems.co.uk to publish, e.g. on the website, Facebook page and Tandem Club website, and to pass onto donors. This must be within a fortnight of the start of the hire period.
- The charity does not deliver or collect tandems to/from the Borrower. Should the Helper offer this service (at their own expense) then the Helper may appreciate the offer of the Borrower covering their expenses.

I have read and agree to the terms and conditions on borrowing a tandem.
